

# HELSTON AND DISTRICT TOWN TWINNING ASSOCIATION NEWS LETTER

ISSUE 3

## Sasso Marconi visitors enjoyed a week of glorious Cornish sunshine, when they visited Helston on a twinning exchange.

An evening of Cornish cheese and Italian wine in the Helston library gave both Helston and District Town Twinning Association members and the visiting delegation an opportunity to celebrate the recent location of a gifts cabinet.

During a demonstration of cooking skills, members of Helston and District Town Twinning Association enjoyed an evening of pasta and gnocchi making and tasting.

## BUON COMPLEANNO

A farewell meal in Giuseppe's restaurant, proved to be an opportunity to celebrate the joint birthdays of **Maura and Nigel**

A visit to The Lizard Arts Group and Cornwall Craft Association Galleries in Trelowarren were also part of the trip along with a walk to Loe Bar and a fish and chip supper.

## PADSTOW PASTA

The group also enjoyed a visit to the Padstow Farm Shop at Trethillick Farm, Padstow owned by Mr and Mrs Watson-Smyth, believed to be the only farm in the UK making pasta from durum wheat grown on the farm. It was of particular interest to the group members who specialise in cooking in Italy.

### Italian Lessons

Giuliana Hanman has been offered a chance to teach Italian lesson in Helston Community College. The lesson will be suitable for beginners and start on 22nd September, running for 6 weeks, 5.30-7.30. If you would like more information please email Giuliana direct at
